Disclaimer: Don't own them.

I walked to my mansion. I have to leave soon.

Not only for my sake, but for hers as well.

I can only think of two reasons.

I can give two reasons to let go of her.

I gave her so much pain and suffering.

We killed each other with our each presences and our words.

Two reasons. No more or less.

I just can't do that any more.

She needed to be free.

She needed her own life.

Soon, I will leave.

I have no idea where yet.

I have my own reasons to say goodbye.

In her eyes, I can see my death.

In her eyes, I can see my hope.

But no moreâ€¦she will be free.

And I sighed. I look from my doorstep of my house to Sunnydale and I sighed.

Those reasons are enough.

End

End
file.
